Dear 4-H Member,

Would you like to help promote 4-H activities? Are you looking to strengthen your leadership and communication skills and inspire younger members? Do you want to see 4-H continue to grow in Grant County? If you answered yes, then the Grant County 4-H Ambassador Team may be for you!

4-H Ambassadors serve as the public relations team for the county 4-H program while developing skills that can be used in any career. The term runs from December 1 through November 30. Some of the activities the Ambassadors do include:

- Various duties at the county fair
- Help at county events such as Family Project Day, Cloverbud Day, Communication Arts Day, Awards Night, etc.
- Represent 4-H at community and county events, such as Dairy Breakfast
- Promote upcoming 4-H activities and events with radio recordings and media posts
- Write articles for the Echo and local newspapers
- Create posts to be used on the county 4-H Facebook page
- Visit with local 4-H clubs

The list of goals outlined when the program was planned allows for flexibility as the team members and 4-H activities change each year. We have been innovative in adapting and creating new opportunities to help team members grow as individuals, develop new skills, and promote 4-H in Grant County.

Enclosed with this letter is more information about the program, an application form, and a leader recommendation form. Applications are due to the Extension Office with your record book. Applications can also be found online. All applicants will have informal interviews with the advisors, and the Ambassador Team for next year will be announced at County Awards Night.

As a member of the Ambassador Team, you will be making a difference! Feel free to contact any of the ambassador advisors with questions.

Sincerely:

Charisse Orth
