

Grant County Farm Progress Days Information & Guidelines

The Executive Committee of Grant County Farm Progress Days has established a scholarship fund. Each year a \$500 scholarship will be awarded to a Grant County resident who is a graduating high school senior. The student must be pursuing a course of study in a recognized two- or four-year School of Agriculture.

The Agriculture and Extension Education Committee of the Grant County Board will award the scholarship based on:

1. Scholastic achievement
2. Extracurricular activities
3. An essay on career plans
4. Two letters of recommendation from non-family members

The scholarship is not need-based. However, if everything else is equal, need may be considered by the committee. The application deadline is March 1 of the student's senior year in high school.

Application forms are enclosed. A fillable application can also be found at grant.extension.wisc.edu under Agriculture → Dairy & Livestock → Upcoming Events/Information. Please encourage eligible students to apply for this scholarship.
