

Application to Become an University of Wisconsin - Extension Master Gardener Volunteer

The main purpose of the Master Gardener (MG) training class is to prepare you to be an educator and extender of horticulture to the local community. In exchange for the training made possible through UW-Extension, and to become a Master Gardener Volunteer (MGV), you are required to complete volunteer service after the training.

The following steps are required to become a MGV:

- Complete the Master Gardener Volunteer Application Form.
- Complete the background check prior to the classroom training.
- Complete and sign the Volunteer Agreement prior to the classroom training.
- Pass a written examination.
- Complete a minimum of 24 hours of volunteer service within one year of completion of the classroom training.

To remain a Certified Master Gardener Volunteer in subsequent years there are annual volunteer and continuing education commitments (24 hours service and 10 hours continuing education).

I would like to become a Master Gardener Volunteer, representing UW-Extension, and request acceptance into the MG volunteer training program offered through my local county UW-Extension office.
