

2019 Creative Youth Expo – Class Descriptions

9-Patch Pillow

Choose from an assortment of fabric to make this easy beginning sewing project. Put together nine squares for the front, add a fabric back and stuff with fiberfill to make a pillow for your room.

[9-Patch Pillow](#)

Backpack

Sew a fun and functional drawstring backpack that you can use to hold your personal items while riding your bike or walking.

[Backpack](#)

Bedside Caddy

Sew a bedside pocket organizer to hold all the things you like to keep close at hand. Part of the caddy fits between your mattress and box spring, to keep it firmly in place. The pockets hang down so all your necessities are easy to reach.

[Bedside Caddy](#)

Candy Wrapper Zip Bag

Take your favorite empty candy bag, add a zipper and lining for a fun and useful money and treasure bag.

[Candy Wrapper Zip Bag](#)

Container Critter

This is a class even a beginning sewer will enjoy. You'll start with an empty jar and end with a fun and decorative place to store small treasures.

[Container Critter](#)

Decorate a Treasure Box

Use fabric, fringe, trims and other embellishments to decorate a pre-made box, big enough to hold lots of personal treasures.

[Treasure Box](#)

Fabric Balloon Ball Cover

Put a 12" balloon inside the opening of this fabric cover and inflate. Safe for playing indoors or out, washable and can be used over and over again. When the balloon pops or deflates, just insert a new one, inflate and start the fun.

Fleece Hats

Make an easy-to-sew fleece hat to keep you warm and looking good next winter. Lots of fabrics to choose from.

[Fleece Hats](#)

Fleece Scarf

This cute and cozy fleece scarf is easy to make and will stay warm and in place because of its unique design. Lots of fabrics to choose from.

[Fleece Scarf](#)

Fringed T-Shirt Scarves

In this no-sew class you'll make fringed infinity scarves out of colorful t-shirts.

[T-Shirt Scarves](#)

Gluten-Free Pancakes

Let's make and compare the taste of gluten-free pancakes made from scratch, to those made from two different purchased mixes.

[Gluten-Free Pancakes](#)

Gnome Ornament

Make a decorative gnome for your home to add joy to your life. Then, make a small gnome for hanging on your Christmas tree.

[Gnome Ornament](#)

Hair Ties and Hair Bands

Learn how to cover any kind of button to embellish your elastic hair band or ponytail holder.

[Hair Ties & Bands](#)

Embroidered Greeting Cards

Use needle and thread to create your own personalized greeting cards for your friends and family.

[Greeting Cards](#)

Nature Painting

Paint a nature landscape using acrylic paint on a wooden panel. Suitable for framing.

[Nature Painting](#)

Paper Bag Greeting Cards

Create an original card by recycling a paper bag, paper/card stock scraps, die cuts and more! Join the fun and learn how to design your own one-of-a-kind card.

[Paper Bag Greeting Cards](#)

Sew a Fabric Box

Sew an attractive and useful fabric box. Lots of different fabrics to choose from for just the look you'd like for your room.

[Fabric Box](#)

Sew a Little Fabric Wallet

Sew this “just the right size” fabric wallet to carry all your small items: library card, mirror, lip gloss, small notebook, fingernail polish, keys and whatever else. There’ll be lots of fabric designs to choose from.

[Fabric Wallet](#)

Stone-Look Planter

Get creative and fashion your own planting container from peat moss, Portland cement, perlite and water. All supplies will be provided and you will take home a small hyper-tufa planter with a hen and chicks plant to put in it.

[Stone-Look Planter](#)

Tex-Mex Tortillas

Learn how to mix, knead, and bake Tex-Mex style soft, flour tortillas that can be turned into snacks, wraps, pizzas, and desserts.

[Tex-Mex Tortillas](#)

Wooden Ornaments

Have fun using acrylic paint and wooden disks to create hanging ornaments or medallions to wear. Design your own pattern or use some provided examples to make your wooden treasure. Bring your own creativity, all other materials provided.

[Wooden Ornaments](#)

Wooden Sculpture

Create and build your own sculpture from different sizes and shapes of wood.
