Saturday, February 12, 2022

Grant County 4-H Family Project Day provides school aged youth (5-Kindergarten and older) with an opportunity to make items as they explore 4-H projects. Come to the Youth and Agriculture Center at the Grant County Fairgrounds on Saturday, February 12, 2022 to join in on the fun! You do NOT need to be in 4-H to attend. The Family Project Day is **FREE** of charge thanks to the support from our sponsors, participating 4-H clubs and the Grant County 4-H Leader's Association.

This year will be structured differently than in the past to help encourage social distancing. The day will be split into two Groups (Group A and Group B). **All youth will make two projects. If they choose a step stool project, they will just be making one project.** The step stool project will take the full hour. Or they can choose to sign up for two 30 minute projects.
