Wisconsin Pork Industry Needs Assessment

The University of Wisconsin Madison Division of Extension invites you participate in a Needs Assessment Survey for the Pork Industry in Wisconsin. Results of the survey will help determine the educational needs of Wisconsin swine producers. The Swine extension team can then shape programs to deliver valuable information to pork producers. Ensuring swine producers can be successful addressing the most critical challenges. All swine farmers are encouraged to participate in the survey regardless of size or type of farm. The survey can be accessed by going to the livestock.extension.wisc.edu website, going to the following link, or scanning the QR Code.
