Again, this year **ALL swine exhibitors showing or selling** and **all market exhibitors wishing to sell any other species** in the auction must be YQCA certified. A copy of your YQCA certificate must be turned in to the Extension Office prior to the July 24 by 4:00 pm deadline.

This interactive program provides youth a number of options for an annual quality assurance certification. YQCA was created for youth in the Beef, Dairy, Goat, Poultry, Rabbit, Sheep, and Swine projects. This program gives families more flexibility in acquiring this much needed information which trains youth in improving the care of food animals and promoting a higher level of consumer food safety. The livestock industry and businesses are constantly striving for high quality, wholesome products; therefore, youth in food animal projects should assist in this effort.

Please go to <https://yqcaprogram.org> in order to register. Upon signing up for a course, you will then pay for that course with a credit card. Please email help@yqcaprogram.org for any assistance you need in creating or signing up in the YQCA system.

- **Online Training** (\$12.00/youth) This type of training is at your own pace. yqcaprogram.org/
 - **In-Person Training** (\$3.00/youth) **Online registration is still required. If low registration, training may be cancelled. Make sure to register.** Youth can attend other counties/trainings that are listed on the online registration system.
